MOOD BOARD

CLEAN, BOLD, TIMELESS

DESIGN BRIEF FOR CHRISTENSENS

OUR VISION

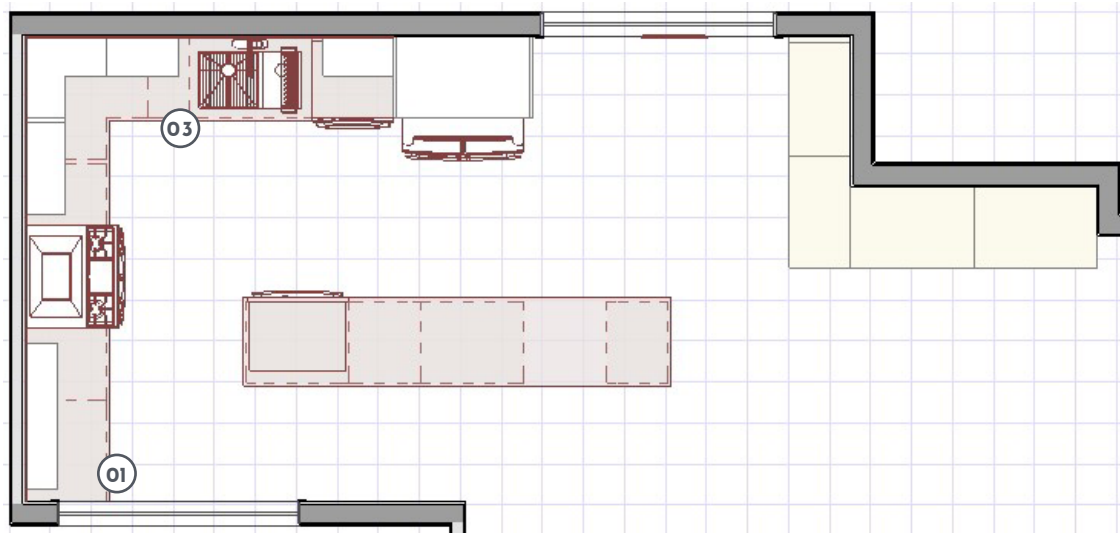

TIMELESS SOPHISTICATION

Your home will be transformed into an open living space with elements of timeless beauty. The flooring will span throughout the entire space with warm honey and red tones. The kitchen and fireplace will become main focal points that tie the expansive space together with use of the complementary color tones of green and red. Accents of brass and subtle line changes (vertical shiplap and bead board) will add a timeless elements to the overall desgin.
